June 11-14, 2025
University of Vigo (Spain)

EGRWSE-2025

ABOUT THE CONFERENCE

The Geo/Environmental Technology, Waste Recycling, and Sustainable Engineering Conference (EGRWSE) is an event organized since 2018 at various research centers and universities around the world. This conference has had a significant impact on both the industrial and academic fields thanks to the presentation of cutting-edge studies and research focused on solving real-world problems.

EGRWSE-2025 will be the sixth edition of the conference, addressing current issues related to geo/environmental technology, material recycling and circular economy, with the aim of presenting practical solutions to achieve the Sustainable Development Goals defined by the UN.

The EGRWSE-2025 conference is organized by the University of Vigo, at the School of Industrial Engineering (EEI - Campus Venue) from June 11 to 14, 2025. Don't miss the opportunity to participate and attend this event.
